- You should have received a link from Jacob, our AV tech with a link to access your sessions.
- During the sessions keep an eye on the Q&A box.
  - Olivia – during the main plenary sessions the Q&A will be via SLIDO.
  - For other concurrent sessions the Q&A will be via the Q&A function in ZOOM. A participant can 'raise their hand' to ask a question.
  - Ask the question out loud so everyone can hear it.
- There is a break scheduled between sessions, which will also be a buffer if sessions go slightly over.
- If you have any technical questions whilst online, please ask the AC technician using the "chat" function.
